To Whom it May Concern:

Since June 2001, Institute of Internal Auditors of Ukraine (IIA Ukraine) has been the official and exclusive representative of The Institute of Internal Auditors (The IIA) in the country of Ukraine. IIA Ukraine represents The IIA on all matters concerning the profession of internal auditors consistent with the guidance and positions of The IIA, including the IIA's global certification programs as listed below. The IIA may not grant another affiliate charter to be an Institute of The IIA in the Exclusive Territory.

The Institute of Internal Auditors is an international professional association established in 1941 registered in New York, NY, U.S.A. and headquartered in Orlando, Florida, U.S.A. With its global network of 180,000 individual members in nearly 170 countries from all industries and sectors, The IIA is recognized throughout the world as the internal audit profession's global voice, chief advocate, recognized authority, acknowledged leader, and principal educator, the internal audit profession's leader in certification, education, research, and technical guidance.

This year, both The IIA and IIA Ukraine will celebrate significant anniversaries and plan to recognize the contributions made to the continued advancement of the internal audit profession. In support of a successful IIA Ukraine event in June 2016, we kindly request your assistance in the facilitation of their annual conference that will not only acknowledge the 75th Anniversary of The IIA, but also to celebrate the 15th Anniversary of the influence IIA Ukraine has had in its local area. Dynamic training and education programs, such as the conference IIA Ukraine has planned to host in June 2016, are critical to the professional growth and development of internal audit practitioners in Ukraine.

Thank you in advance for your support.
